

21ST EDITION
**COST
 CONGRESS 2022**

Theme: Innovation for business resilience and competitive advantage – TCM as an enabler

BLOCK YOUR DATES

**8th – 9th
 NOVEMBER 2022**

**HOTEL TAJ MAHAL
 PALACE, MUMBAI**

C-Suite focus on business continuity by chartering viable cost models is largely innovation driven. Balancing investments for innovation and growth trajectory in business is an extreme challenge.

Competitive advantages shift dynamically as business models adapt to new market realities. New architecture evolves around strengthening innovation index in businesses.

CII TCM Division is thoughtfully crafting its 21st edition of 'Cost Congress 2022' with case study presentations from best-in-class companies in topics like – Innovation, decision making amidst uncertainty, demand forecasting models, re-designing supply chains, product and process overhaul, cost economics & ESG, digital journey and profit enhancement.

CII invites decision makers to participate and benefit through liberal takeaways from cross industry learning.
