Confederation of Indian Industry

Day 1	12 th Dec - TCM Learning Workshop
Day 2 & 3	13 th Dec and 14 th Dec - Conference
Day 2 Evening	13 th Dec - Evening 6-8 pm TCM Awards

Theme: Creating Sustainable and Inclusive growth” – Digital & AI as enablers.

‘Uncertainty and Complexity’ are pivots in today’s business strategies. Technology is a key enabler for ‘Growth and Margin’ assurance at all times. Transformation of businesses on a technology platform is pathway for competitive and cost advantage.

Creating sustained profit imperatives are possible through customer engagement process, integrating cost and carbon reductions, affordable product portfolios, build and scale green businesses through digital and AI architecture.

Experts and practitioners across the industry would address the conference on the above theme and topics...
